“We were both on Limestone for a majority of our undergrad at Queen’s. Looking back, it’s clear to us that Limestone is the only club at Smith that will holistically prepare you for life after University. Through the ‘drop everything’ culture and focus on education, Limestone taught us the hard skills to prepare for investment banking, and the soft skills to understand the value of collaboration and teaching. We cannot recommend this experience enough. The friends and mentors you meet on this club will last forever.”
